EDUCATION

York University

Hons. Bachelor of Arts in Computer Science

Sep. 2023 – May 2027

Toronto, ON

EXPERIENCE

Information Technology Support and Tech Tutor

Vaughan Public Libraries

Oct. 2022 – Feb. 2023

Vaughan, ON

- Provided assistance to over 100 library patrons with device troubleshooting and accessing library services, ensuring a 95% satisfaction rate.
- Educated patrons on effectively using personal and library devices through structured training sessions, resulting in a 40% increase in digital resource utilization.
- Provided tailored support to senior customers and individuals with auditory/visual impairments, ensuring inclusive access to technology and library services.

Scratch Programming Instructor

Genius Camp / Toronto French School

Sep. 2024 – Apr. 2025

Toronto, ON

- Developed and delivered interactive Scratch programming lessons for groups of 10+ Senior Kindergarten - Grade 1 Students, introducing students to foundational coding concepts in an engaging and accessible manner.
- Guided students through hands-on projects, enabling them to build their own games, animations, and stories using Scratch, fostering creativity and problem-solving skills.
- Customized lesson plans to cater to different skill levels, ensuring that each student could progress at their own pace and gain confidence in coding.
- Provided continuous feedback and support, helping students overcome challenges and celebrate their achievements in programming.

PROJECTS

ProductScout | *Python, Selenium, Flask, HTML, CSS, JavaScript, PostgreSQL*

- Developed a web app that allows users to search for products by name, retrieving and displaying results from multiple e-commerce websites using Selenium for web scraping and web interaction.
- Implemented a wishlist feature, enabling users to save and manage desired products, with a clean and responsive interface built with HTML, CSS, and JavaScript.
- Utilized Flask as the backend to handle user requests and manage searches, ensuring scalability for adding new stores and categories.

LEADERSHIP

Computing Students Hub General Executive

York University

Sep. 2024 – Apr. 2025

Toronto, ON

- Serving as a general executive for York Universities largest computer science club with 1700+ students
- Assisted and Facilitated club events, attended club meetings to set goals, track progress, and track club resources. Communicated and dispatched information to club members in a professional and timely manner.
